LGS Recreation Fall Mountain Soccer League is a recreational basketball program that has been serving the Los Gatos Community for many years. It is a “non-competitive” community league with teams comprising a mix of girls and boys at different ages. The focus of the league is to teach Soccer skills, develop team spirit and foster a positive experience. We strive to give all participants equal play time and to keep teams evenly matched. All games have referees. Good sportsmanship is mandatory. Participants will learn Dribbling, Shooting, Passing, Offensive/Defensive Maneuvers, and Teamwork. This is a Developmental League.

League assignments are based on age, grade, player skill, and parent request

Team rosters will be assigned to equally distribute the wide mix of player ages and skills. The organizers make every effort to accommodate practice schedule requests as noted on the registration. Late requests will NOT be accepted.
