

Lakeside School Walk-A-Thon

On October 28, 2011, Lakeside Elementary School's students will participate in their annual Walk-A-Thon. Our children train year-round for this event, which raises funds for Lakeside's enrichment programs. Without fundraising, we could not offer P.E., music, and dance at Lakeside School.

Children collect pledges from friends, families and community members and have either 30, 45, or 60 minutes (depending on grade level) to complete as many laps as they can. Families, friends and neighbors turn out to support our students in their endeavor.

Lakeside invites you to help sponsor our event by advertising your business on the back of our t-shirts. Our students will proudly wear these shirts for years to come, including in the Los Gatos Holiday Parade. Sponsors will be advertised in the weekly Lakeside Letter and in the Mountain Network News.
