

Lakeside Joint School District

19621 Black Road Los Gatos, CA 95033 (408) 354-2372

**FIELD TRIP AUTHORIZATION 2011-2012**

Under the provisions of the California State School Law, teachers may take pupils on field trips in order to enrich their educational experiences. Such trips are taken only under the direct supervision of a teacher. All precautions are taken to insure that your child be safe on such a trip. We would like to have the authorization of parents before taking pupils on field trips where transportation is used.

Parent drivers: If you anticipate driving on a field trip during the school year, please submit a copy of current car insurance coverage to the office. All field trip drivers must have proof of insurance on file in the office. Each student riding in a car on a field trip must have and use his/her own seat belt.

We are requesting that you check the following statement and sign you name.

I give permission for my child(ren) to go on any field trip under the direct supervision of a teacher during the present school year.
