## MILK 2011-2012

This year milk will be offered to students for \$70.00 for the entire school year, or \$7.00 per month. We prefer that you buy it for the year, but you can buy milk by the month. Milk will not be sold on a weekly or daily basis. Any leftover milk will be sent to Clubhouse for use before the expiration date.

It is our experience that children often do not get their milk, or that they get it and do not drink it. Please discuss this with your child and determine that he/she really does want to order milk. Also emphasize to him/her to make sure to get the milk if it is not delivered by an 'appointed milk runner.'

In the operation of child feeding programs administered by the U.S. Department of Agriculture, no child will be discriminated against because of race, sex, color, national origin, age or handicap. If you believe you or any individuals have been discriminated against, write immediately to the Secretary of Agriculture, Washington, D.C.,20250.

If we can be of any further assistance, please contact us.
