PARKING LOT SAFETY

Safety is always an important consideration at Lakeside. The following regulations will help maximize safety in and around the parking lot. Please read and follow these regulations when picking up or dropping off students.

SAFETY REGULATIONS FOR DROPPING OFF AND PICKING UP STUDENTS

- I. Students are not permitted on the parking/driveway area blacktop at any time unless escorted by an adult.
- II. By state law, a car may NOT drive past the school bus in the parking lot when the bus is loading or unloading students.
- III. A parent may park the car in the parking area, get out of the car, walk the child either to the sidewalk or to the car. Un-accompanied students walking within the paved area of the parking lot and crossing the median both in the morning and at the end of the day is a safety concern

- V. The parent must walk a child arriving during Flag Salute to the flag area.
- VI. **A child arriving after Flag Salute must be accompanied by the parent to the office. The child must be signed in for attendance purposes and get a late slip.**
- VII. A child leaving school early must be signed out in the office and walked by the parent to the car.
