August 5, 2011

Dear Lakeside School Parents and Students,

The 2011-2012 school year is fast approaching. My family has transitioned to Los Gatos during the months of June and July. We are learning about and enjoying the vibrancy of the community.

Summertime at Lakeside is so peaceful. The warmth of the sun and smell of the trees is invigorating. I hope to experience lovely transitions between seasons, and that Mother Nature behaves herself.

Please feel free to stop by and introduce or reintroduce yourself. I look forward to the students percolating the campus with youthful energy. I am learning more and more about the school and community each day that I am at Lakeside. What a gem!

We will kick off the year with Project Cornerstone and building assets. All Lakeside staff will participate in a Project Cornerstone training session on August 19<sup>th</sup>. The students will have workshop sessions on August 25<sup>th</sup> with Kelly Koftz, Youth Partnership Coordinator. Linda Silvus, School Partnership Director, will be attending our Back to School Night on August 31<sup>st</sup> to give parents a "brief" introduction to parental involvement in Project Cornerstone.

The class configurations for the 2011/2012 school year will be as follows:

K-Ms. Kathy Olavarri  
1-Ms. Marcia Williams  
2-Ms. Lisa Orcutt  
3 /4 -Ms. Vicki Schmidt  
4 /5 -Ms. Heather Winfield

I look forward to having a successful year with the students, staff and parents at Lakeside.

Sincerely,

Elizabeth Bozzo  
Superintendent/Principal
