

Theresa Bond

Ms. Bond has a B.S. in Technology from Purdue University. She currently serves as Lakeside's Interim President of the Board of Trustees. Since 2006, she has had many roles including Lakeside PTA President, School Site Council member, and Project

Cornerstone facilitator.

Ms. Bond began her career in software and migrated to hardware, working in Silicon Valley High Tech companies such as Apple Computer, Sun Microsystems, and a few fun but short-lived startups. Ms. Bond recently came out of retirement to direct Supply and Technology Global Operations Engineering for Avid Technology.

Ms. Bond and her husband Ed Fafard have two sons: a junior at Los Gatos High School and a seventh grader at Rolling Hills Middle School. Ms. Bond is proud to be the liaison for American Field Service (AFS) students, and has enjoyed hosting Foreign Exchange students in her family.
