Dear Parent/Guardian,

Welcome to the YMCA child care program. Thank you for choosing the YMCA for your child care needs. We look forward to providing your family with the highest quality child care and to building positive relationships within our greater Y community.

**Registration Packets can be picked up in the Lakeside Main Office or we are happy to email them to you. Please contact Melody at [melody.barker@ymcasv.org](mailto:melody.barker@ymcasv.org) or download the entire packet:**

**Successful Enrollment Check List:**

- Connect with the Site Director and find out about the program, see what your child will be experiencing in the program and discuss scheduling options.
- Fill out a financial aid application (if applicable).
- Turn in the completed enrollment packet, enrollment fee, annual membership fee, and first month's payment. (Please note: If you are submitting a Financial Aid Application and have not yet been approved, you may need to provide full payment before care can begin.)
- Confirm with the Site Director that everything is set up for your child/ren, that you have all the information your child/ren need for a successful first day and setup the first date of your child's attendance.
- Your child may begin attending according to the contracted schedule.
- Read the Family Handbook, there is a lot of information that can answer questions you may have about policies and programming.
- Feel free to visit with your child/ren before beginning program so they can see the space and meet the staff before their start day.

There is information on the website [www.ymcasv.org/pdfs/ydhandbook/pdf](http://www.ymcasv.org/pdfs/ydhandbook/pdf) that better describes our program and explains our philosophy and curriculum. Our staff is more than happy to answer any additional questions you may have.

All other materials or forms, including all payments, may be submitted directly to the Site Director.

Sincerely,

***Kate Kiely and all YMCA Staff at Lakeside***
