Single-Ride Tickets may be purchased for \$2.00 per ride in the school office only if space is available. Reservations will be considered after 9:30 a.m. when school attendance for the day is confirmed and it is determined whether a seat on the bus will be available. If your child does not have the fee at the time the reservation is made, payment will be expected the following day.

Financial Hardships: Students who apply and qualify for National School Lunch Program are eligible to receive bus service at no cost. Students who qualify for reduced-price lunches are eligible to receive bus service for a reduced-fee. However, all students must have a reservation in order to ride the bus.

Refunds: Bus fees will be refunded only upon appeal to the Superintendent in writing and for "good cause." Examples of "good cause" include moving out of the district or financial hardship. Proof of "good cause" will be required prior to the refund of any unused fees.

Safety, Student Behavior and Discipline: Riding the school bus is a privilege which may be revoked for misconduct or repeated minor infractions. It is imperative that students comply with the bus rules included in the parent packet, and those set forth by the bus driver. There will be no bus fee or ticket refund for students who lose their riding privileges for disciplinary reason
