Parent/Guardian Statement

Once a student begins a middle school program, they are allowed to complete 6th - 8th grade at the school where they begin. Transfer from one middle school to another during the school year is not permitted. At this time, the future enrollment of younger siblings to CT English and Dartmouth is contingent upon the required annual renewal of an MOU. As such it is not a guarantee that younger Lakeside siblings will be able to enroll beyond this current MOU. Saratoga USD has approved a 3-year MOU. The Lakeside annual calendar follows most closely with the Los Gatos High School calendar with regard to vacations and holidays, and therefore may not always coordinate with the middle school calendars. I hereby certify that the student and parent/guardian information provided above is accurate and that I understand and agree to the above stated conditions.
