## Parent/Guardian Statement

**Once a Lakeside student begins a middle school program, they are allowed to complete their entire middle school (6<sup>th</sup> – 8<sup>th</sup> grade) at the middle school where they begin.** Transfer from one middle school to another *during* the school year is not permitted. Currently, the future enrollment of younger siblings (beyond the 2022-2023 school year) to Redwood MS is contingent upon renewal of an MOU (currently in the third year of a 3-year MOU). Dartmouth MS begins the 2022-2023 school year in the second of a 3-year MOU. As such it is not a guarantee that younger Lakeside siblings will be able to enroll beyond the current MOUs. In the 2022-2023 school year, C.T. English MS begins a 5-year MOU with Lakeside JSD. The Lakeside School calendar follows most closely with the Los Gatos and Saratoga High School calendars with regard to vacations and holidays and therefore may not always coordinate with the middle school calendars of any of these three middle schools.
